WEEKLY REPUBLICAN—1907.  
DAILY PUBLIC LEDGER—1908.

MAYSVILLE, KY., TUESDAY, FEBRUARY 21, 1905.

ONE COPY—ONE CENT.

THE GREAT TOBACCO FAIR.

If you want to come to Maysville  
And see a sight quite rare,  
Just come on the twenty-second  
To the great Tobacco Fair.

You will not only see tobacco,  
But potatoes, wheat and corn  
That the farmer has been storing  
All summer in the barn.

You will hear some very fine music,  
And speaking good and rare,  
And welcome many a familiar face  
At this great Tobacco Fair.

There is no other spot in all the world  
Like this district of White Hurley,  
Where the cornstalks grow so tall and straight,  
Or the tassels so long and curly.

The wheat, too, rivals our sister, the West,  
With its heads so golden and waving,  
When the field is ripe for the reaper's hand  
It looks like a lovely engraving.

Now all you good people a welcome receive  
When to this great Fair you shall come;  
For homes will be open to stranger and friend  
In this grand "Old Kentucky Home."  
Maysville, Ky., February 21st, 1905.

She was the daughter of Harris King, and  
was married January 6th, 1842.

She has been a faithful member of the Bap-  
tist Church for sixty years.

She was born June 22d, 1823.

She is the mother of seven children, only  
one of whom survives her—Quincy R. Shipley.  
She is also survived by one brother, Harris  
King, formerly of this city.

Her son, George R. Shipley, died March 6th,  
1904.

She leaves a host of friends and relatives,  
who mourn her loss, especially the grand-  
daughter, Miss Ella T. Shipley, whose constant  
companionship from childhood has won her to  
love and mourn her as a mother.

The memory of Mrs. Shipley, familiarly  
known as "Aunt Sally," will always be cherished

### LAST NIGHT'S MEETING

Was in the Interest of Maysville's  
Y. M. C. A.

The Union Meeting held last night at the  
First Baptist Church in the interest of the  
Young Men's Christian Association, conducted  
by Dr. Ely, was enthusiastic as to the need of  
the Association in Maysville for a defense for  
the young men.

The mark of \$500 was set, of which they  
need to pay what they owe, and \$325 was sub-  
scribed by the faithful men and women who  
are hearing this cause upon their hearts.

Many were not at the meeting who can and  
will lend a hand to this most worthy cause  
when they appreciate its work for good.

Judge A. M. J. Cochran, Dr. F. W. Harrop,  
Prof. Burris A. Jenkins, Rev. H. T. Musselman,  
Rev. John Barbour, James T. Knackley, Dr. Ely  
and others spoke of its need.

May God put it in the hearts of all to save  
young men.

### THE POLICE COURT

Big Business Was Done Yesterday  
By Judge Whitaker

For the first time in many weeks there was a  
business aspect in the Police Court yesterday.  
Judge Whitaker and City Attorney Wood  
were grave and dignified in their respective  
stations, while the trio before the Bar of Justice  
had a woe-begone appearance.

The first man up was Elisha Green, colored.  
Elisha's offense against the morals of the city  
was a plain drunk. He was given a total of  
\$25.50.

Riley Bramble, for a plain drunk, drew a  
\$15.50 package.

The next on the docket was William DeWitt,  
a wandering Willie. The City Attorney had a  
feeling way down in his heart for William and  
on his motion the Judge decreed that he go  
frop provided he shake the dust—or mud, rather—  
of the city from his hrogans and depart  
instantly from its confines. He departed.

Clarence Lee, somnambulist, for being drunk  
and taking up his bed in St. Patrick's Church  
Saturday night, was let off with a nominal tax of  
\$25.50.

Charles Clay, the colored highwayman, was  
held under a \$500 bond for his appearance this  
afternoon at 2 o'clock. This is the chap under  
arrest for snatching Mrs. Purdon's pocketbook.  
Policeman Ryan recovered the stolen article  
yesterday afternoon.

THE man who owns a steamboat is the chap who has cut the most ice this winter.

THE price of carpets has advanced by 2½ to 5 cents a yard; and I presume the Standard Oil Company and the Tobacco Trust did it with their little tomahawks.

IN April next Carlisle people are to vote on whether they shall continue to slip down in the cellar and drink out of the bung hole, or brace up against the counter on the ground floor and call for sugar in their'n.

AN exchange says: "Heaven will be a sad place for some folks; there will be nothing left to kick about." Not on your daguerreotype. Think I know some who'll kick because they didn't get to the other place.

"Soon there will be no more territories to come into the Union," says The Adams County Record. When the stock of territories is exhausted, we'll begin swiping Cuba, Luzon, Russia, New Jersey and a few other outlying districts.

ONE of the big city papers contained this bit of news—

PARIS, Ky., February 17th—George Leeds, warehouse Foreman at the Paris Distillery, fell thirty feet below, sustaining serious injuries.

I'm awful sorry for Mr. LEEDS, and hope he'll come through all right; but just think how much worse it would have been had he fallen thirty feet above!

WHEN the Kentucky Wesleyan College is rebuilt at Winchester it might be a good plan to put in a furnace that will not demonstrate its heating qualities by burning the building.

IT looks like there's trouble ahead for somebody. The increased drain upon the State Treasury and Common School Fund owing to alleged inaccuracies, either through carelessness or design, in reports of the Common School Fund has caused the Governor to take steps to stop the abuses. To this end the State Inspector and Examiner will be sent into counties where the "padding" of returns is suspected, and upon his report prosecutions will be based. That there is something wrong—that some counties are getting too much, or that some are not getting enough—is shown very plainly by a few comparisons, Mason county among others being cited.

A fair example of the contrast between counties is shown in the counties of Breckinridge and Breathitt. The census of 1900 gives Breckinridge 20,534 population, while the school census gives 6,942 children. The census gives Breathitt 14,322 population, and the school census shows 6,313 children of school age, a difference of more than 6,000 in population, and of less than 600 in number of school children.

A further illustration is given in a comparison of the counties of Harrison and Hart. The census of 1900 gives Harrison 18,570 population and Hart 18,390. The school census of Harrison is given at 5,082 and of Hart at 6,061. The county of Mason, with 20,446 population, has 5,718 population of school children and the county of Carter, with 20,228 population, has 7,950 school population, and the county of Muhlenberg, with 20,741 population in 1900, has 7,630 school population.

It does look like an investigation is in order; and THE LEDGER feels safe to say that Mason county will come out unscathed.

Fully 1,000,000 gallons of applejack were distilled last year in Northern New Jersey. The low prices prevailing for apples made this method of disposing of the fruit more profitable to the owners of orchards.

According to the statements made by those who have investigated the subject, among whom are charity organization workers and philanthropists, there are 100,000 idle men in New York City at present.

C. D. Wells has been appointed guardian of Nettie Sexton, a minor under 14 years of age, and qualified as such with P. P. Parker surety on bond.

There will be a special meeting for women at the Christian Church Wednesday afternoon at 3 o'clock. Let every wife in the county come in with her husband and attend the service while he attends the Tobacco Fair.

## Health of American Women

A Subject Much Discussed at Women's Clubs—The Future of a Country Depends on the Health of Its Women.

Mrs. T. C. Willadsen Miss Mattie Henry

At the New York State Assembly of Mothers, a prominent New York doctor told the 500 women present that healthy American women were so rare as to be almost extinct.

This seems to be a sweeping statement of the condition of American women. Yet how many do you know who are perfectly well and do not have some trouble arising from a derangement of the female organism which manifests itself in headaches, backaches, nervousness, that bearing-down feeling, painful or irregular menstruation, leucorrhoea, displacement of the uterus, ovarian trouble, indigestion or sleeplessness? There is a tried and true remedy for all these ailments, Lydia E. Pinkham's Vegetable Compound has restored more American women to health than all other remedies in the world. It regulates, strengthens and cures diseases of the female organism as nothing else can. For thirty years it has been curing the worst forms of female complaints.

Such testimony as the following should be convincing.

Mrs. T. C. Willadsen, of Manning, Ia., writes:

"Dear Mrs. Pinkham:—I can truly say that you have saved my life. I cannot express my gratitude to you in words. For two years I spent lots of money storing without any benefit for menorrhagies and I had given up all hope of ever being well again, but I was told to try Lydia E. Pinkham's Vegetable Compound and three bottles have restored me to perfect health. Had it not been for your medicine I would have been in my grave."

Miss Mattie Henry, Vice President of Danville Art Club, 429 Green St., Danville, Va., writes:

"Dear Mrs. Pinkham:—Many years' suffering with female weakness, inflammation and a broken down system made me more anxious to die than to live, but Lydia E. Pinkham's Vegetable Compound has restored my health and I am so grateful for it that I want every suffering woman to know what Lydia E. Pinkham's Vegetable Compound will do for her."

When women are troubled with irregular, suppressed or painful menstruation, weakness, leucorrhoea, displacement or ulceration of the womb, that bearing-down feeling, inflammation of the ovaries, backache, bloating, (or flatulency), general debility, indigestion, and nervous prostration, or are beset with such symptoms as dizziness, faintness, lassitude, excitability, irritability, nervousness, sleeplessness, melancholy, "fall-gone" and "want-to-be-left-alone" feelings, blues, and hopelessness, they should remember there is one tried and true remedy—Lydia E. Pinkham's Vegetable Compound at once removes such troubles. No other medicine in the world has received such unqualified endorsement. No other medicine has such a record of cures of female troubles. Refuse to buy any other medicine, for you need the best.

A light heart, a cheerful countenance, and all the charms of grace and beauty are dependent upon proper action of the bodily organs. You cannot look well unless you feel well.

Mrs. Pinkham invites all sick women to write her for advice. Her advice and medicine have restored thousands to health. Address, Lynn, Mass.

### COME TO THE CONCERT.

The concert at the Washington Opera house tomorrow morning is free to ladies and gentlemen. Fill the house. Two bands will make good music. Ladies are not expected in the afternoon.

### "THE DIVINITY OF CHRIST"

Will be the theme of Doctor Jenkins tonight at the Christian Church. No one should fail to bear the discussion of this great subject. This afternoon at 3 o'clock his theme will be "Words to Workers." Large audiences are expected, as President Jenkins has many friends in Maysville.

### RIVERS OF MUD

The Streets of Maysville Are Now Something Fierce

The streets of this city just now are in a most miserable condition—in places they are almost impassable. It must not be inferred, however, that this execrable state of affairs is to be charged to the negligence of our capable Street Commissioner, Ben Smith.

There has not been a day in the past two months that would permit the working of the street brigade; it has been snow, rain and sleet, alternating, ever since winter got fairly well started, and, of course, Ben is not responsible for that.

Yesterday a beginning was made on the frozen gutters, and it should be rigorously prosecuted today in order to carry off the water that is now spreading across the entire street. The gutters along the Postoffice Building are in an awful condition and should be attended to at once.

The Cincinnati passenger department of the road had that train stricken from the regular schedule printed elsewhere, and as it was not to be shown on the time-card it was presumed that the train was to be discontinued.

## CAPT. GRAHAM'S GRATITUDE

Suffered from Sores on Face and Back—Doctors Took His Money But Did No Good—Skin Now Looks Clear as a Baby's.

## ANOTHER CURE BY CUTICURA REMEDIES

Captain W. S. Graham, 1321 Eoff St., Wheeling, W. Va., writing June 14, '04, says: "I am so grateful I want to thank God that a friend recommended Cuticura Soap and Ointment to me. I suffered for a long time with sores on my face and back. Some doctors said I had blood poison, and others that I had barbers' itch. None of them did me any good, but they all took my money. My friends tell me my skin now looks as clear as a baby's, and I tell them all that Cuticura Soap and Ointment did it."

After a few applications of Cuticura the torment subsided, the sores disappeared, and my hair grew thick and healthy as ever."

## AND STILL ANOTHER

"For over thirty years I suffered from painful ulcers and an eruption from my knees to my feet, and could find neither doctors nor medicines to help me, until I took Cuticura (which cured me in six months). (signed) M. C. Moss, Gainesville, Tex."

## THE FORTUNE TELLER.

An attraction which is certain to attract the theater-goers is "The Fortune Teller," which is shortly to be seen here. To begin with it is one of the handsomest performances that has ever been given a musical production, for the Messrs. Aborn, under whose management the opera is being presented, have obtained the complete production which was used by Alice Neilsen for the same opera and which cost the enormous sum of \$40,000. No comic opera the stage has seen in recent years can approach this production in the matter of lavishness. "The Fortune Teller" is to come to the Washington Opera-house soon.

## ATTENTION, EVERYBODY!

Every One Should Assist in the Coming Tobacco Fair

The Sixth Annual Tobacco Fair will be held in Maysville Wednesday, February 22d, Washington's Birthday.

Every farmer in Kentucky and Ohio who raises tobacco, corn, wheat or potatoes, should be present and make an exhibit on that occasion. The Maysville Tobacco Fair has done more to favorably advertise the Burley Tobacco producing section of Kentucky and Ohio than anything else that has ever been inaugurated. It should be the pride of every citizen to make the one this year a greater success and a greater benefit to the farmers than any previous Fair.

Good music, short spicy speeches and about \$300 in gold to be distributed will be features of the day.

Excursion rates will be given on all railroads, and a train leaving Maysville at 5:30 on the L. and N. that afternoon. Let everybody come.

## River News

The Allegheny and Monongahela rivers are falling.

Surely present conditions in the river cannot hold out much longer.

A new ice pier is to be erected in the Ohio at Gallipolis next summer.

The rise out of the Kanawha river is being held by the Maysville gorge.

A channel is being dynamited around the Pittsburgh-Cincinnati Packet Company's boats at Cincinnati.

Towboats are replenishing their coal supplies in the upper Ohio river from wagons driven right up alongside of the steamers on the ice.

The gauge marks 21.6 and rising. The ice at this point is becoming soft and mushy, and another day of thawing weather and about an 8-foot rise will let it go.

Rivermen are complaining at Cincinnati that they are unable to secure laboring men. Many coal operators have men at work shoveling coal out of endangered craft.

## RAILWAY MATTERS.

## Do You Need Bracing Up?

No other tonic in the world is like Paine's Celery Compound; no other remedy takes so simple and scientific a way to perform its wonders. Paine's Celery Compound acts directly upon the nerves, feeding them Nature's nerve food—celery—filling them with new vitality. Through the nerves it acts upon the blood, purifying it, strengthening it, making it pure and strong and red and healthy. No other remedy purifies so gently and so quickly.

Paine's Celery Compound is the one known prescription that purifies without purging or weakening the system in any way.

If you feel "run down," "used up," nervous, tired,—in other words, if you need bracing up, try Paine's Celery Compound.

Learn the full luxury and delight of being always at your best, able to live your life for all that is in it.

Feel the exultant thrill of pure, rich blood and abundant Nerve Force, made by Paine's Celery Compound.

Paine's Celery Compound gives real Nerve Force, instead of the false activity imparted by mere stimulants. It is the best and quickest nerve tonic.

Tired, weak-nerved, thin-blooded, unhappy men and women get quick, sure, hearty health from this celebrated Nerve Vitalizer and Tonic. It drives away lassitude, gives courage and strength. It makes a rich increase in blood supply, and makes the whole system thrill with hearty health.

Miss Mary Stone, Secretary of the Young People's Christian Temperance Society of Milwaukee, tells her experience after feeling "run down" for months.

We have used Paine's Celery Compound in our family for a number of years and a few months ago when I felt so worn out and run down that I thought I would have to give up my work and take a vacation earlier, mother suggested that I try a couple of bottles of Celery Compound. A few doses made me feel quite different, my appetite increased, I began to sleep well at night and felt rested in the morning. In a very short time I felt like a different being and am glad to say that your medicine made it possible for me to continue my work uninterrupted. Yours very truly,—Miss Mary Stone, 2621 Lisbon Ave., Milwaukee, Wis. Secretary Young People's Christian Temperance Society.

Try Paine's Celery Compound YOURSELF when you feel exhausted—when you grow tired sooner than you should—when you lose patience with the irritating cares of daily life—when you feel that your hopes and ambitions are not as high as they used to be—when you spend a sleepless night—when you get up almost as weary as when you went to bed—when you are worried—when the tired feeling puts its heavy touch upon you. That is when you need the new Nerve Force, the good blood and fresh vitality that is given by PAINE'S CELERY COMPOUND.

Don't wait. Try Paine's Celery Compound today.

Take just one dose when you go to face the hard part of the day's trials. See how much better you feel.

See how much more easily the trials roll away. Two days' treatment with Paine's Celery Compound will give proof of its marvelous powers.

For 18 years this famous prescription has been the most universally used tonic in the world. It has stood the test of time. Physicians constantly use and prescribe it. No prescription has ever been formulated that equaled it in curative power.

Remember this.—Paine's Celery Compound is the prescription of one of the most famous physicians this country has ever known, and all reputable Druggists sell and recommend it.

"There Isn't One Really Good Printer in Five Hundred."

Printers' Ink is the leading journal on publicity of all kinds—has the following to say: "There are thousands of printers in this country, good, indifferent, and a lot of bad ones. There isn't one really good printer in five hundred. Intelligent advertisers are willing to pay for good printing no matter where it comes from." Printers' Ink knows what it is talking about. Good printing is a bad investment—it's worse than a bank. A business man's stationery or booklet is like a traveling man—let it go, and it will be lost and to the point, the first impression is good and your chances of doing business on the strength of a good word.

WE REALIZE THIS. We keep abreast of the times. We know what good printing is and produce it. We are pretty careful not to let a bum job get onto our press. No press in this country can better our printing and we want you to know it. HAVE THE DAVIS PRINTING HOUSE PRINT IT. PUBLIC LEDGER BUILDING.

The increased drain upon the State Treasury and Common School Fund, owing to alleged inaccuracies, either through carelessness or design, in reports of the Common School Fund, has caused the Governor to take steps to stop the abuses. To this end the State Inspector and Examiner will be sent into counties where the "padding" of returns is suspected, and upon his report prosecutions will be based.

If Constipated, Do This.

This offer may not appear again. There is no catch about it. If Mull's Grape Tonic does not positively cure constipation you are out nothing, as you may have the first bottle free. If it cures, which it will, tell others: that is all we ask. No remedy has ever before been known to cure constipation permanently. Mull's Grape Tonic is not a physic. It is unlike anything you have ever used. It cures constipation. If it did not this other would ruin us. The process is gradual but sure. You know from your own experience that physics, like Pills, Salts, Castor Oil, Mineral Waters, injections, etc., make you worse. When can Mull's Grape Tonic be had? Your Druggist sells it. The \$1 bottle contains nearly three times the 50c size, but if you will write today to Mull's Grape Tonic Co., 217 Third Avenue, New York, N. Y., and give Druggist's name, you will receive the first bottle free with full instructions. This gives you a chance to prove to you at our expense that it is a wonderful remedy and places you under no obligation to invest a penny. Only tell your friends about it.

SAY!

You people who have been buying river coal all winter, have you noticed your pile lately? It's going down mighty fast, isn't it? Well, now, that is caused by the ice in it melting. Call up 69 and we will tell you more about it. Remember, we also handle Salt, Sand and Baled Hay.
